

Årsmøde 2010

Rentespændet mellem real- og statsobligationer (1årige)

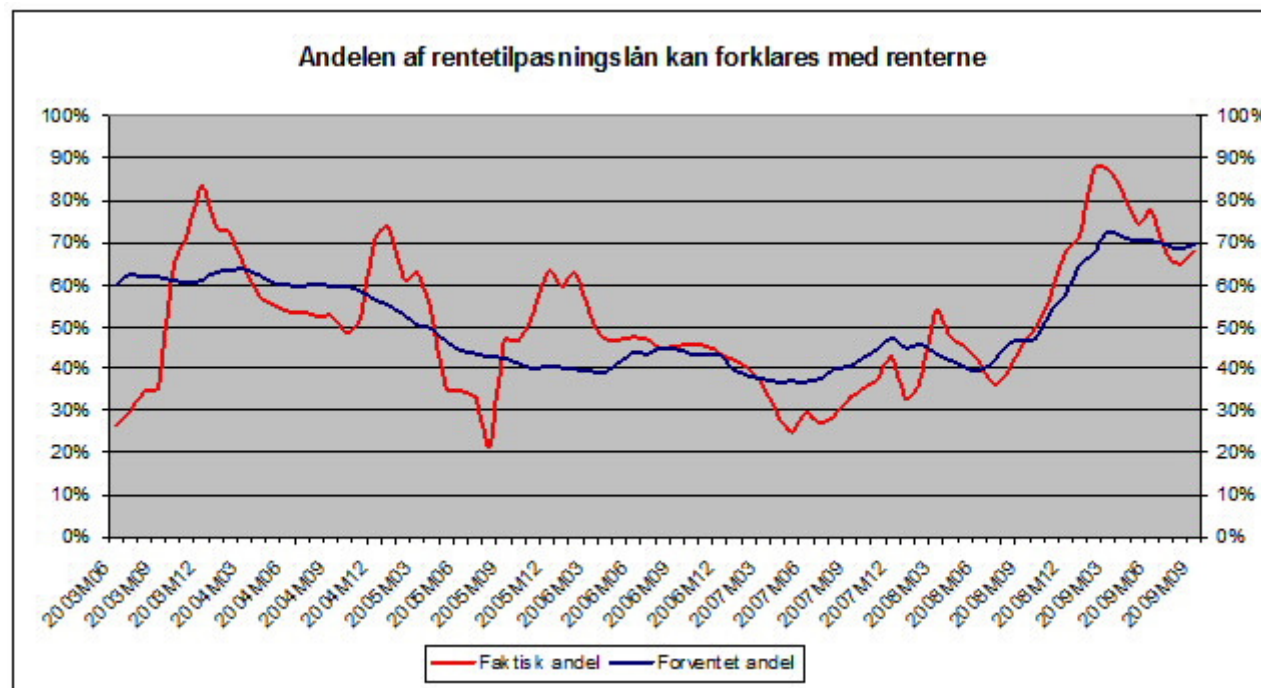

basispoint

Refinansieringsauktionerne i december slog rekorden

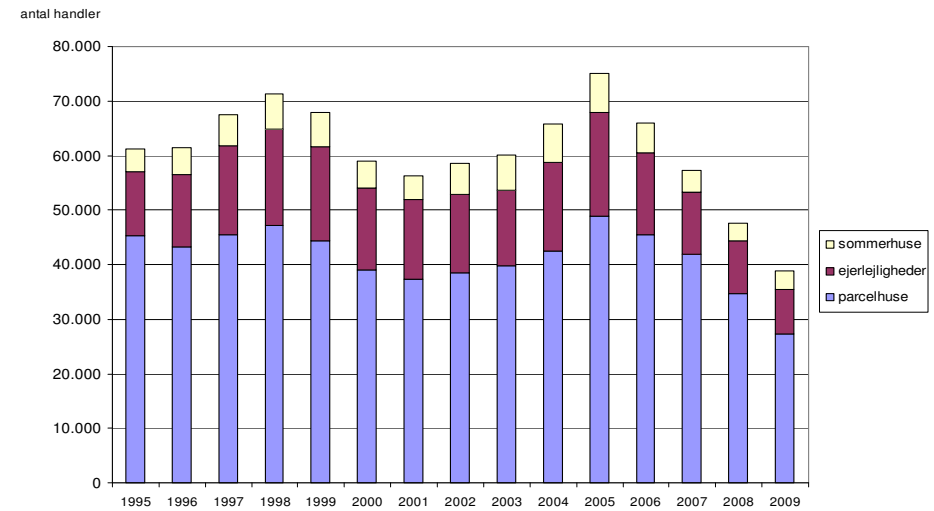

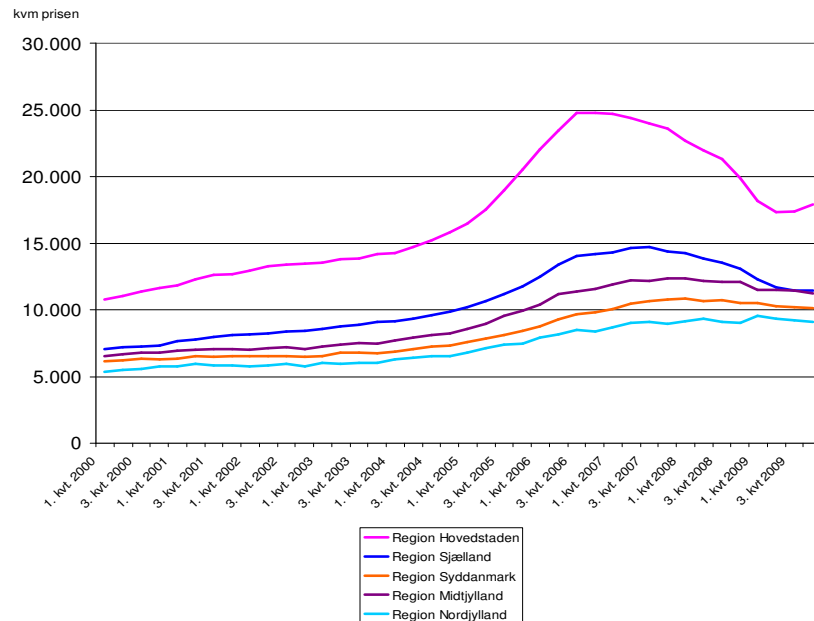

Låntagere har reageret som sædvanligt

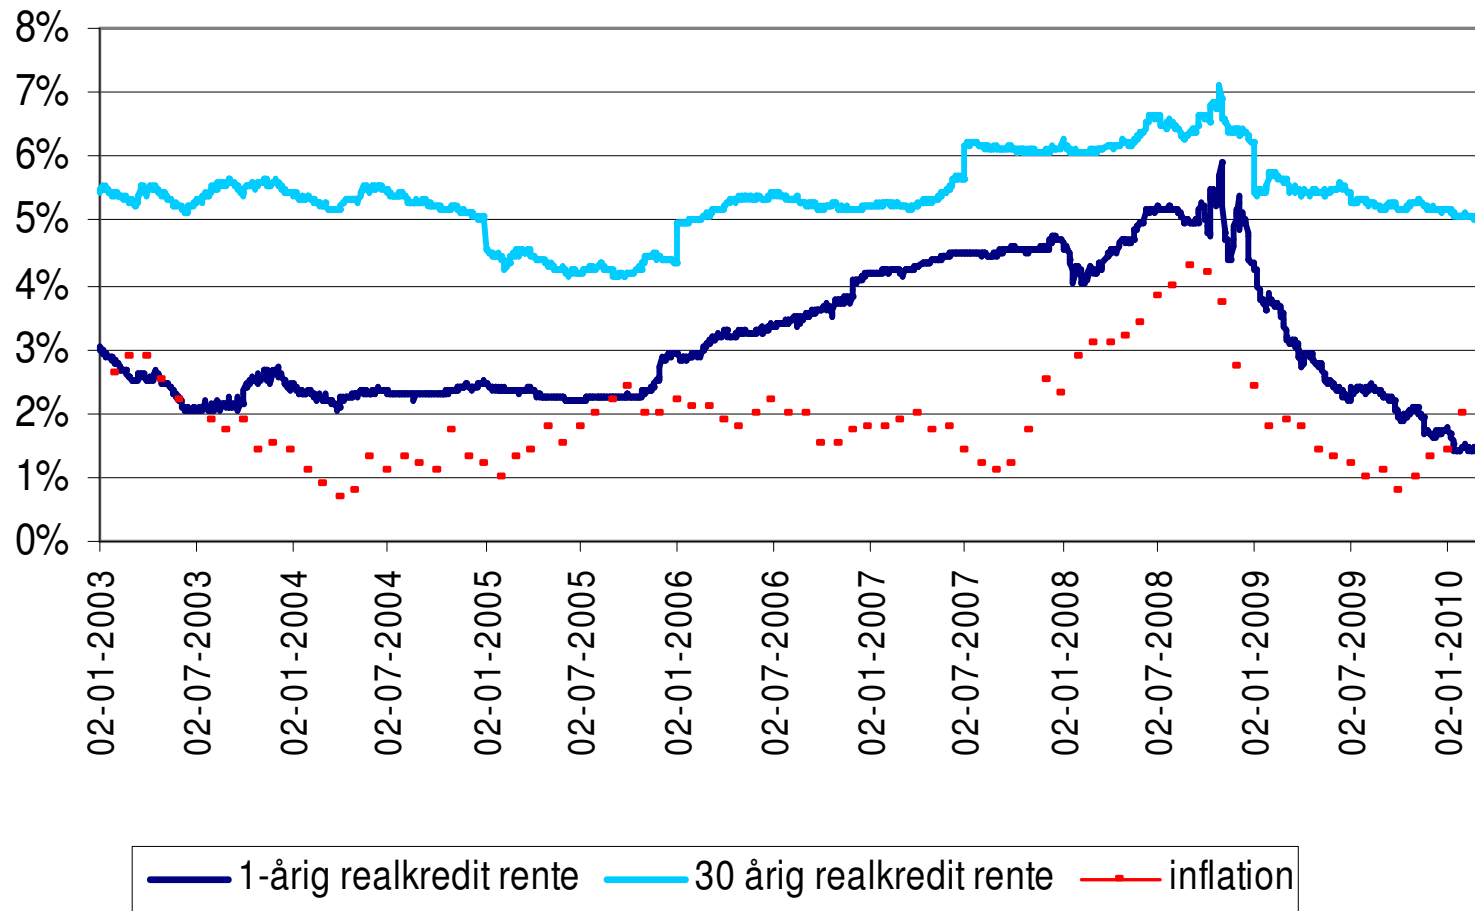

Kilde: Nyt fra Realkreditforeningen nr. 3, 2009

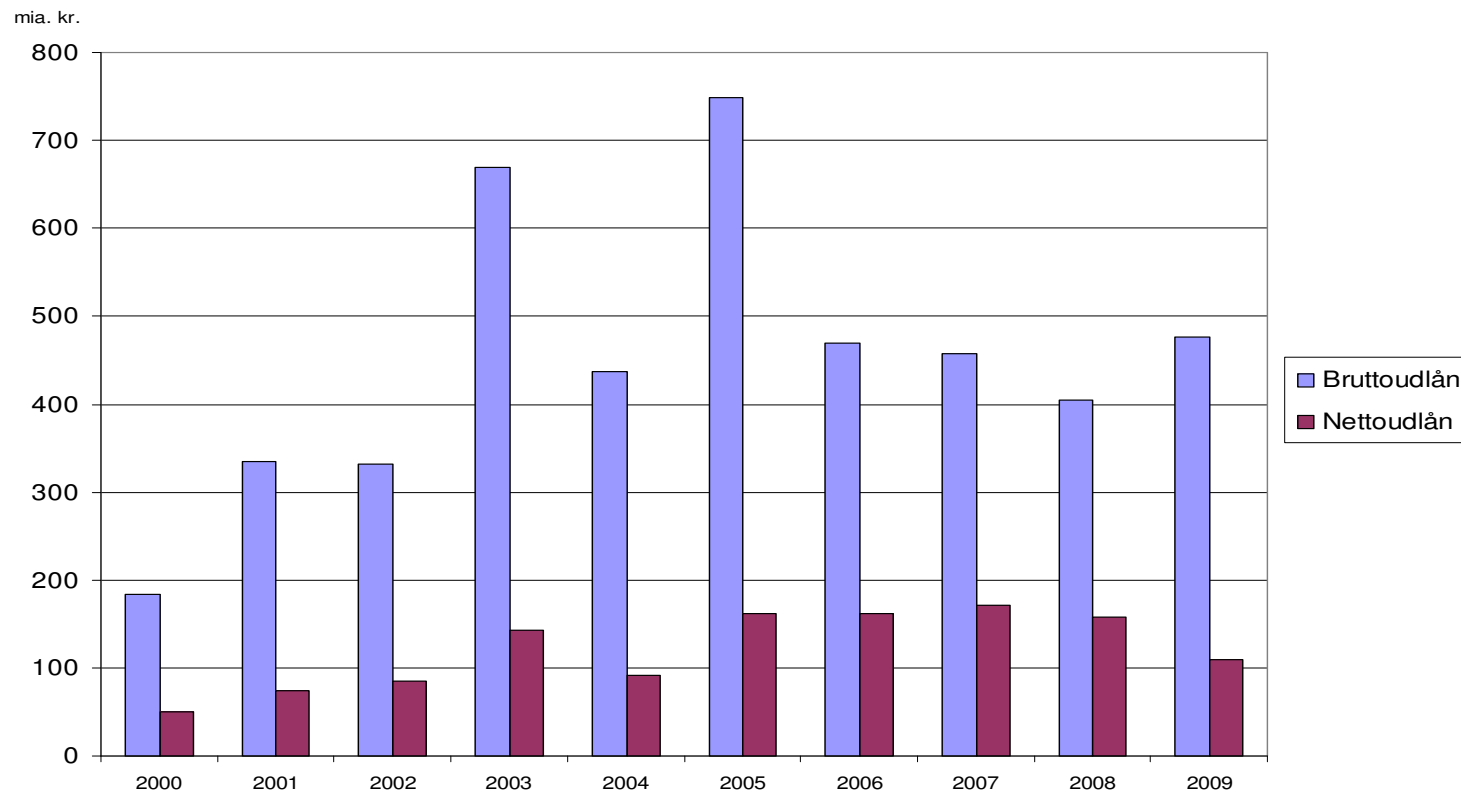

Historisk få antal handler, men fremgang i 2. halvår

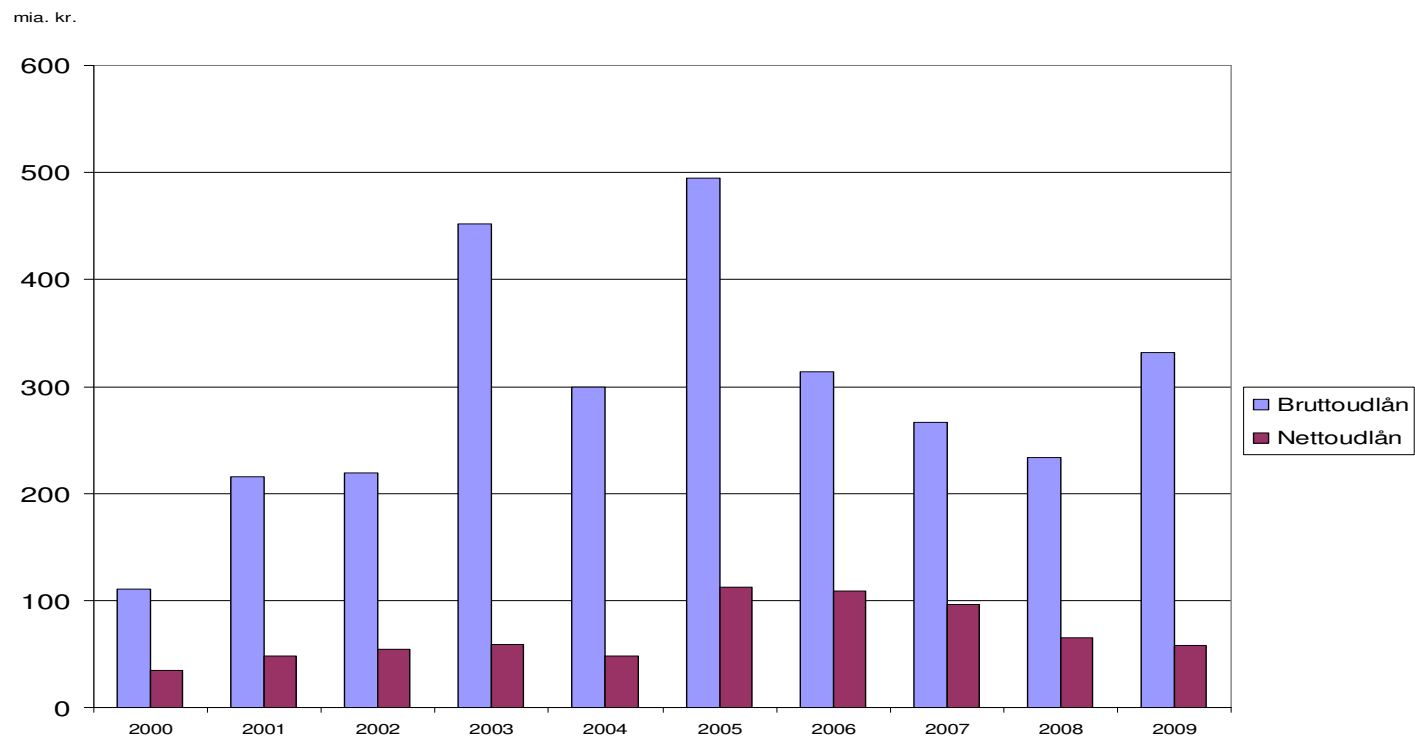

Inflationen er højere end den korte rente

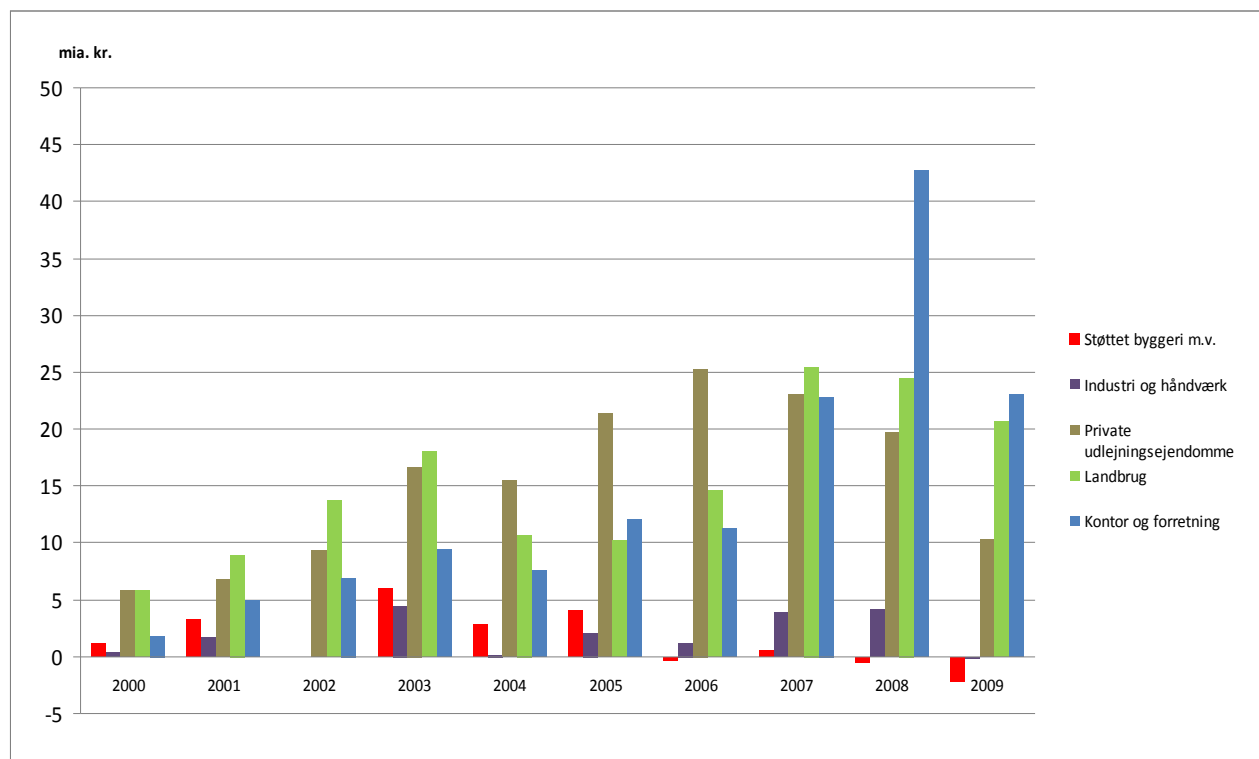

Stort bruttoudlån og moderat nettoudlån

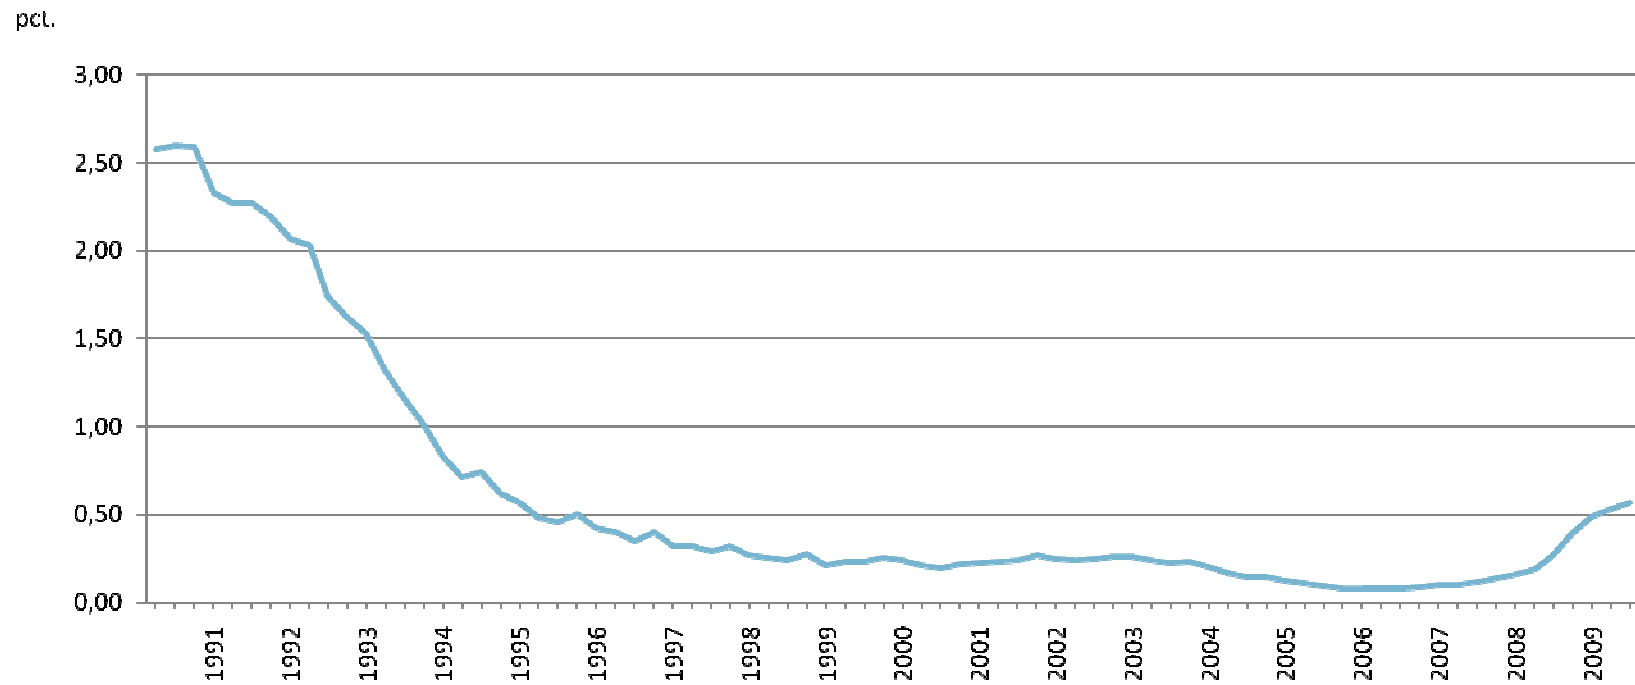

Stigende bruttoudlån og faldende nettoudlån til ejerboliger

Fortsat stort nettoudlån til erhvervsejendomme

Stigende restanceprocent

Og stigende antal overtagne ejendomme
